What you need:

- Size F hook -3.75 mm (or hook to achieve gauge)
- Medium Weight Yarn in 2- 3 Colors (Knit Picks - [Mighty Stitch](#) or [Brava](#))
- Darning Needle
- 2 Small Buttons

Abbreviations: (American Terms)

Ch – chain
Sc – single crochet
Sc2tog – Single crochet decrease
Hdc – half double crochet
Hdc2tog – half double crochet decrease
Dc – double crochet
Dc2tog – double crochet decrease
Sl st – Slip Stitch
BLO – Back Loops Only
Sk – Skip

Gauge: 9 dcs = 2” long

Notes:

The first round of the sole is worked on the front and back of the foundation chain ([click here](#) for a video of the sole). For ease of use, you can work through BLO on the first side and then work in the remaining loops for the other side of the sole.

I use (and love) both [Mighty Stitch](#) (acrylic/wool blend) and [Brava](#) (100% acrylic) from [Knit Picks](#). They are both soft, but Mighty Stitch is very soft. However, Brava is more durable. I suggest using Mighty Stitch for the very small sizes, and Brava for the bigger sizes, when baby will be toddling around in them.

I have worked hard ensuring this pattern is error-free, however, it is not impossible that there may be mistakes. Please [contact me](#) if you have any issues understanding the pattern and I will get back to you as quickly as I can.

Construction:

Sew the strap in place by lining the bottom wide end up with the BLO row on the shoe. It's easy to flatten the shoe in it's side like this:

Count 3 sts over on the strap, and line it up with the first BLO stitch on the shoe, from left to right. 6-9 month is pictured, but this is the same for all sizes.

Using your darning needle and your long tail, sew the strap into place with a running stitch right under the 2 loops of the mint-green stitches. Weave in your end for a firm hold, and clip.

Alternate the sewing side, so the strap come across the shoe and buttons on the outside of each one.

Finish by sewing your button on. Make sure it is lined up with the button hole on the slim end of the strap.
